EDM (E-MAILING SERVICE):

We offer e-shot service for exporters, importers and manufacturers so that they can reach their target markets. Your specific information / advertisement designed at newsletter format will be sent to our database. (Over 58,000 international e-mail addresses.) The companies are sector professionals, purchasing managers, CEO's, R&D departments in the industry. We hyperlink the material to your website so that potential buyers can see what you're offering.

We share after-delivery report including click numbers, country breakdown, visitor numbers, etc. After we send the email, we will give you all details such as which companies visited your website most and which ones stayed most. We receive demands from the interested parties and forward them to you. Alternatively, we can put your e-mail address to reply button and customers can write you directly and contact with you. We will prepare test e-mailing before sending and you can see e-shot before.

E-mailing service for 1 time:
3,750 euro

E-mailing specs:
750 (width) x 1500 pxl at HTML format
